Impact, LLC declares that Tin, Tantalum, Tungsten, or Gold utilized in the manufacture of our products are free of DRC conflict minerals. Our Symbol on the right is used of each data sheet designates the component is free of conflict minerals.

Impact, LLC evaluates raw materials, components and supplier documents to determine conformance. Impact, LLC relies on the material declaration of the supplier to determine the substances and quantities contained in our products. Impact, LLC may not independently verify all information contained in the Material Declaration of suppliers.

Our product lines utilize very small amounts of minerals. We report all knowledge of the sources of minerals and smelters when possible.

Impact, LLC provides CMRT to each customer upon request.
